HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

Workshop n°5 : ***The transformations of territorialized agricultural and food systems induced by the agroecological transition***

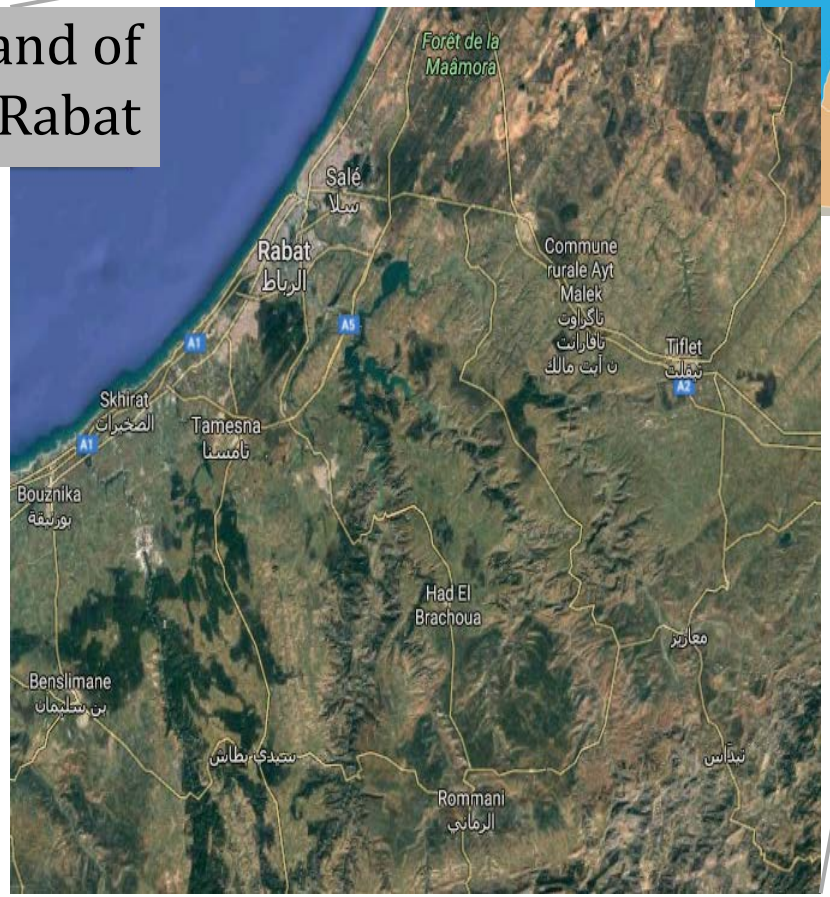

The rise of agroecology in Morocco

Some lessons learned from the nearby hinterland of Rabat

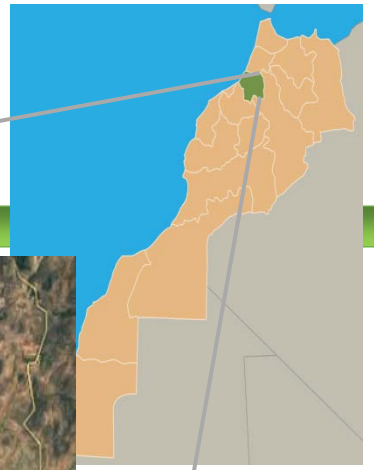

- *Félix GRIPPON, ingénieur en agro-développement international (diplômé de l'ISTOM)*
- *Bruno ROMAGNY, économiste, IRD*
- *Mohammed ADERGHAL, géographe, UM5-Rabat*
- *Geneviève MICHON, ethnobotaniste, IRD*
